AN ANTWERP TRAGEDY.

A Wronged Husband Shoots His Wife While Attempting the Life of Her Paramour.

The meager details of a tragedy which occurred at Antwerp, Ohio, last night, comes to us this afternoon. The wife of a Mr. Hilker was out riding with another man when they were met by the jealous and wronged husband. He raised his revolver to shoot his paramour and fired. The ball missed its mark and hit his own wife, who was fatally injured.

Dr. W. H. Myers, of this city, was summoned to the woman's bedside, and he left immediately for Antwerp. At the hour THE SENTINEL reporter heard of the shooting, the wounded woman was still alive.

The ball entered the brain of the woman and Dr. Myers will attempt to extract it by performing the operation of trepanning.

FIVE DROWNED.

The Sad Fate That Overtook a Party of Picnicers.

PITTSBURG, Pa., July 5.—A sad accident happened at the picnic of the Arch Street Methodist Episcopal church, of Allegheny City, at Forest Grove yesterday, in which five young people were drowned. The names are: Nellie Burton, aged eighteen years; May Royal, aged sixteen years; Ida Cassiday, aged twenty-two years; Fannie McComb, aged about eighteen years, and Bert Freeman, aged twenty years.

The five named, together with Edward Shaffer, took an old barge and started for a ride on Connaquessing creek. The stream was very turbulent and the barge capsized, throwing the occupants into the water. Young Shaffer succeed in reaching the shore, but the others went down before assistance could reach them. The bodies have not been recovered.

England Ahead.

LONDON, July 5.—In the third heat in the race for the Diamond sculls of Kenny to-day, Nickolls, the English oarsman, easily defeated Psolta, the American amateur.

WE have sold Swift's Specific for six years in quantity lots, and the goods have been entirely satisfactory, and without a complaint from a single customer. HUTCHERSON & ELLIOTT,

WILL KILRAIN FLUNK!

The Opinion Expressed That He is Getting "Shaky" and Will Never Enter the Ring.

NEW ORLEANS, July 3.—At a late hour last night the rumor was current that Kilrain had flunked and would not meet Sullivan. The Sullivan men, who are on the inside, are betting almost any odds that Kilrain will not arrive here on Friday, Saturday or Sunday, and will take odds that he does not appear in the ring on Monday.

In the rotunda of the St. Charles hotel Lynney Tracey, who is a strong Sullivan man, met Billy Harding, who represents R. K. Fox, Kilrain's backer, and offered to bet him $100 that Kilrain will not appear in New Orleans. That Harding refused what should appear like sure money is deemed significant.

It is also asserted that Governor Lowry, of Mississippi, has offered $1,000 reward to any sheriff arresting Kilrain on his passage through the state.

KILRAIN STARTS.

CINCINNATI, O., July 5.—Kilrain and party left for New Orleans over the Queen and Crescent route at 8 o'clock this morning. To a United Press reporter before leaving, Kilrain said: "I am in first class condition, and I have enjoyed my stay in Cincinnati greatly, barring the statement of that bloody reporter of a morning paper, who said I was looking blue yesterday. That is a mean contemptible lie. It is the only mean thing the papers have said about me. I wish you would contradict it for me in the very strongest terms. It is an infernal lie, as any of the party with me know, and they will say the same thing."

"I would not care a penny about it if it wasn't that the report will go east to my friends, and they may think I am not doing right by them. I am sorry this thing happened in Cincinnati, because it is a rank Sullivan town, and makes me think Sullivan's friends are unfair to me. However, it don't matter. After I have whipped Sullivan they will all hurrah for me."

A few minutes before the train left John T. Norris, the noted detective, appeared and took a seat in Kilrain's special car, the Aida. The report at once spread that Norris intended accompanying the party into Mississippi, where he would arrest Kilrain and claim the $500 reward offered by the governor of that state for either of the principals in the fight. Pony Moore took Norris in tow and plied him with questions as to his destination and business. Norris said:

"I am only going down to Lexington with a requisition for a prisoner and have no intention of going to the fight."

Several of the party said that Norris would find it to his interest to leave the train at Lexington.

Kilrain exhibited a good deal of nervousness about the probabilities of an interruption of the fight, and spoke rather sharply to Mitchell when he said he was not fully posted as to the arrangements for getting through the state of Mississippi, which is the territory they most fear. "I say, Charlie," said Kilrain, "we must not make a stop in that state. We can't afford to run any risks, you know."

SULLIVAN AT NEW ORLEANS.

NEW ORLEANS, July 5—Sullivan passed a good night at his quarters in Mr. John Duffy's house, on Rampart street. He arose at 7 o'clock this morning, and after eating a hearty breakfast, met several friends, with whom he chatted pleasantly. This morning he will exercise for three hours at the Young Men's gymnasium.

WILL KILRAIN FLUNK?

Many of Sullivan's most intimate friends affect to feel that there will be no fight. They say that the odds are that Jake will be arrested before he reaches this city. They base this from information that Jake is not in good condition and that he did not work yesterday in Cincinnati. Mr. Barney McGuire this morning, said: "The reports that have reached me say that Jake looks tired and worn and he is disgusted that his backer has hedged out his stake money. He never expected to see the big fellow get into condition."

"He always had a hearty dread of John until he broke his arm and went wrong and now that he finds he has recovered and is better than ever he has not a bit of a desire for a fight with him."

Maguire has $5,000 already bet on the fight and has as much more to bet at the ring. He offers to bet $3,000 as follows: One thousand dollars that Sullivan wins the fight, $1,000 that he wins the first knock-down and $1,000 that he draws first blood. Phil Lynch last night bet a prominent New York sport $500 to $400 that Sullivan would win.

There has been a large number of arrivals here this morning, some coming from as far distant points as Colorado and Massachusetts. By Saturday night it is believed

TWENTY THOUSAND STRANGERS

will be in town. Tickets, entitling holders to witness the fight, are on sale this morning; there are five hundred applications for press seats, and but thirty will be given.

The weather is intensely hot, which gives considerable annoyance to Sullivan. It may be found necessary to return to the original plan decided upon by his trainers and take him to Spanish Fork, which is tempered by a breeze from the bay. Before breakfast this morning Sullivan took a bath and was well rubbed down. Subsequently he took an hour's exercise at the gymnasium here.

The exercises consisted of pounding the sand bag and swinging dumb bells. Muldoon says he must keep his weight down, which shows a decided tendency to increase. The missing of the train by Kilrain yesterday at Cincinnati is regarded as an ill omen by the betting men, and they declare it forebodes defeat.

WILY WHITE.

After Four Months He is Arrested on Charge of Forgery.

This afternoon Sheriff Viberg and Deputy Wilkinson effected the arrest of Luther N. White, of this city, who is wanted on a charge of forgery. He disposed of notes on A. J. Benton and William Palmer, of Columbia City, which it is claimed he forged. 'Squire France bound him over in the sum of $400. He went to jail.

THAT DEPOT AGAIN.

An Instrument of Appropriation Filed by the Lake Shore People.

The Lake Shore and Michigan Southern, by its attorney, John H. Baker, filed to-day in the superior court an instrument of appropriation against Wm. Fleming, Stephen B. Bond and Frederick Eckart, who own in fee as tenants certain land on the north side.

The company claim that the property is necessary for their use in the construction of the depot and other necessary terminus facilities, and further aver that they have been unable to agree with said defendants.

Excursion Train Wrecked.

DUBUQUE, Iowa, July 5.—An excursion train on the Chicago, St. Paul and Kansas City road, while proceeding to Twin Springs, thirteen miles from this city, collided with a freight train at 10 o'clock, last night. A brakeman named Corrigan was instantly killed, and it is reported three others were seriously injured.

Brewery Burned.

CLEVELAND, O., July 5.—Early this morning the Opham Brewing Co's plant was burned, involving a loss of $30,000.

MILWAUKEE, Wis., July 5.—The big Falk, Jung & Borchest Brewery was burned to the ground yesterday.

ELLENSBURG, W. T., July 5.—Ten blocks in the business center of this town were burned last night.

Another Arrest.

CHICAGO, July 5.—Late last night several detectives from the Central station took a prisoner to the Harrison street station and locked him up in a witness cell. The greatest secresy was observed by these officers, and from their actions it was evident that they had made an important arrest in the Cronin case.

How They Celebrated.

Frank Hutchinson was arrested by Officer Humbrecht for being drunk. He paid his fine of $1 and costs. Wm. Ruppel was arrested by Marshal Franke, Thos. Wilson by Patton, Wm. Coughlan by Limecooly, John Herring by Humbrecht, Maggie Lewis by Limecooley, and were all sent to jail.

THE FOURTH'S FATALITIES.

The Chapter of Casualties as They Occurred in All Parts of the Country.

OKLAHOMA, Ind. T., July 5.—The Fourth of July festivities were brought to a sad ending yesterday afternoon, by the fall of the grand stand, with its living load of human beings. Nearly 1,000 people had secured seats to witness the races, when, without warning, the structure fell, burying the mass of people beneath it. One person was killed and nearly a hundred injured.

DES MOINES, Iowa, July 5.—The Chicago, Burlington and Quincy passenger train going west and the rear section of freight No. 12, going east, collided about 10 o'clock, yesterday morning. A number of cars were wrecked, and Wm. Blackburn, express messenger, was fatally injured. Many others were badly injured.

FORBORO, Mass., July 5.—Yesterday Sumner Healey, son of Warren B. Healey, of New York, accidentally shot a boy named Samuel Johnson, while target shooting. It is thought Johnson can not live.

FREDERICKSBURG, Va., July 5.—Henry Johnson, a respectable colored citizen of Penola, Va., was stabbed to death at the depot in this city at a late hour last night by Johnny Washington, a negro rough, who was arrested and jailed.

WEST BROOKFIELD, Mass., July 5.—The body of James Clennan, of West Brookfield, was found on the Boston and Albany railroad track this morning. He had been run over by a train and killed. He was sixty years of age and leaves a son.

HOLYOKE, Mass., July 5.—Yesterday, owing to the breaking of a guy on a derrick used in the course of repairs to the Connecticut River railroad bridge over the second level canal, the derrick fell on the iron bridge, smashing one of the masts, of which one fragment struck and killed John McMahon, a laborer, aged forty, and another piece struck Geo. H. Heifer in the chest, inflicting probably fatal internal injuries.

ST. JOHNSBURG, Vt., July 5.—Fred Blanchard, of Mt. Indoes Fall, aged about twenty-five, drilled a hole in a rock Wednesday night and filled it with powder for the purpose of awakening the town's people on the Fourth. He got up about 4 a. m. and fired off the charge. He was found dead near the rock at 6 a. m. with one hand blown off.

AFTER THE FUN.

How the Natal Day Was Spent in This City and Vicinity—Haps and Mishaps of the Day.

The Fourth of July.

The day when our American bird loses all its tail feathers while screeching for the cause of freedom and independence, has come and gone.

Although the demonstration of patriotism in this city would not stir an immortal from his reverie, there was a combination of fine weather, picnics and fire crackers that was enjoyable.

At as early an hour as 4 a. m., Lieutenant Ranke had the Gatling gun squad out for the purpose of creating noise, and if the populace was not up early to witness a glorious sun in a clear sky it was no fault of the battery.

The numerous picnics were well attended and well patronized. The picnic given at Vordermark's grove east of the city was the greatest attraction of all. It was given under the auspices of Sion S. Bass post, and the Sons of Veterans. The Hurshtown band of Cedar Creek township furnished music. The congregation of Emanuel Lutheran church enjoyed themselves on the green at the high banks. That popular organization, the Orpheus singing society, held carnival at Reidmiller's grove. St. Peter's at DeWald's grove, and Zion's church in the same vicinity. St. Paul's Lutheran were at Concordia college grounds. In the evening there was a general display of fireworks. The day is invariably attended with accidents and THE SENTINEL devotes space in this issue to record them.

The ball games at the fair grounds, under the management of Capt. Billy Meyer, were well attended both morning and afternoon. The receipts were about $500. In the morning the Brunswicks beat the Sports 22 to 13 and took second money, $65. In the afternoon the Hoosiers beat the Brunswicks 14 to 8 and took first money, $100. The Sports took the third purse, $35.

The shoot at White's range attracted a number of shooters. Mr. W. R. Durfee won the bird match and a sweepstake shoot and Mr. Herman Krohne won a sweepstake match.

AT NEW HAVEN.

Yesterday was a big day at New Haven. The St. Bernard and St. John's uniform rank C. K. of A., of this city, went there by special invitation. They were escorted to the Nickel Plate depot from Library hall at 8:30 o'clock by the New Haven band.

Upon their arrival at New Haven, Capt. Tibbets, of the commandery there was made officer of the day, and under his command a parade of the town was made. A grand collation was tendered the visitors and the entire company. Altogether it was an eventful day at that place.

AT HUNTINGTON.

Huntington celebrated yesterday in an elegant way. To the fair grounds at an early hour marched the ladies' societies of the Masonic, Odd Fellows and Knights Pythias lodges, headed by the Huntington band and drum corps. The procession was quite lengthy and imposing. At the grounds a neat program was gone through with and some excellent vocal music was furnished by the renowned Emerson quartet. Numerous picnic dinners were spread in the grove and the day was much enjoyed by the participants, who numbered up in the thousands.

About 9:30, over the Chicago and Atlantic, arrived the Catholic Benevolent legion and the Catholic Knights of St. St. Charles, of this city, and the Uniform legion, of Decatur, together with a couple hundred excursionists, where they were met by the Catholic societies of Huntington, headed by the cornet band of Roanoke.

The procession soon formed and marched to the Cold Springs grove, west of the city, where great preparation had been made for their reception. Neat booths were dotted about the grounds, where refreshments of all kinds were served. After an able address by Judge Henry B. Sayler and other exercises, games of base ball were played and the uniformed societies participated in a competitive prize drill, at which the Decatur legion carried off the honors. The First Regiment band accompanied the excursion from here. The Fort Wayne excursion received accessions at Sheldon.

Altogether the Huntington celebration was a brilliant success and reflects much credit on the promoters of the movement, as the city was thronged with people all day.

AT WARSAW.

The Fourth was celebrated with much enthusiasm at Warsaw. About two hundred people went from this city. The Rifles of this city put up their silect drill and were complimented. The other military companies attending were the Elkhart cadets, Logansport Greys, Conn Battery, Elkhart and the Warsaw boys. There was a baloon ascension and other features. Mr. E. F. Yarnelle, of this city, was officer of the day.

NOTES.

Lots of people went out of the city.

Beer was sold at most of the picnics. Several drunks.

Meyer Bros. & Co., and Dreier Bros. had elegant displays.

Kierbach's string band furnished music at the St. Peter's picnic.

Hon. W. H. Shambaugh delivered the oration at Vordermark's grove yesterday.

It is said that more than one Fort Wayne man drank Warsaw stimulants yesterday.

Comparing it with some of Fort Wayne's celebrations, it was a remarkably quiet day.

Mr. E. H. Bookwalter, of the Sons of Veterans, read the declaration of independence at Vordermark's grove.

The Eureka club gathered at their rooms at the corner of Calhoun and Main streets and shot off an expensive display.

John Christen, of the Ale House, had a fine display of fire-works last night. Hundreds of boxes of fire crackers were used up in front of his place.

The Ladies' Relief corps refused to join the Grand Army and Sons of Veterans in the picnic at Vordermark's grove because beer privileges had been let.

Rev. R. M. Barns delivered the Fourth of July oration at Ossian to a large crowd, who celebrated in the old fashioned way. In the evening they had a magnificent display of fireworks.

Embezzlers Arrested.

NEW YORK, July 5.—Henri Antoine Noll, his wife, Blanche Noll, and Paul Hommont, who are residents of Paris, were arrested for embezzling a large amount of money in France.

Frank Hoyt, paying teller of the First National bank of Hoboken, was arrested to-day for embezzling $15,000.

GEO. W. EWING,

The Young Fort Wayne Millionaire, Brings Suit to Possess $2,000,000 Worth of Property in St. Paul.

ST. PAUL, Minn., July 5.—Geo. W. Ewing, of Fort Wayne, Ind., has made a claim through an attorney to one-fifteenth interest in property in various parts of St. Paul, estimated to be worth $2,000,000.

December 3, 1883, Geo. W. Ewing, Jr., conveyed to his father, Geo. W. Ewing, considerable real estate in this county, in trust, to devote the income for the maintenance of the grantor and trustees and at his death to revert to his legal representatives. Both the trustees and grantor are dead, and Geo. W. Ewing, third and only son of Geo. W. Ewing, Jr., having now come of age, intends bringing suit to recover the property, unless a satisfactory adjustment can be made.

The above relates to the same title under which several suits were instituted against residents of this city and of which THE SENTINEL has given a full account.

BRUISED, BATTERED, BURNED.

A Number of Persons Who Celebrated the Fourth to Their Sorrow.

Willie, the twelve-year-old son of Mr. and Mrs. Frederick Unger, of 10 Pritchard street, had his face filled with powder by the bursting of a toy cannon. Dr. H. V. Sweringen attended and pronounced it a very serious case. The lad may lose the sight of one eye.

A ten-year-old son of Mr. William Schulz, of 152 Horace street, while handling a loaded pistol, was shot in the hand, the bullet passing entirely through the member. The flesh is also badly lacerated and Dr. C. B. Stemen, who attended, had to do some delicate surgery to avoid amputation.

Mr. Phillip Wagner, barkeeper in his father's saloon, on East Main street, looked into the muzzle of a brass cannon when the thing suddenly exploded, sending its contents into the young man's face. Dr. Seaton was two hours in getting the young man's eyes open. The sight of one eye, it is likely, has been destroyed. The powder, too, has imbedded itself deeply into the flesh, making it altogether the most serious accident which happened in the city yesterday.

A son of John Habacher had his hand very badly injured by the premature explosion of fireworks. The Drs. Boswell attended him.

Mr. Sam Henderson, foreman of the Pittsburg car shops, returned from Chicago in the evening, and while igniting fire works at his home, burned his thumb. He says it was the fault of his mischievous cat. Sam has an accident insurance, consequently he is all right.

Lee, the twelve-year-old son of Judge L. M. Ninde, had his face filled with powder yesterday while shooting off a cannon.

John E. Franks, of 142 East Wayne street, looked into the muzzle of a cannon, when the piece went off, sending its contents into his face. Dr. McOscar attended him.

Clifford, the twelve-year-old son of Engineer Wallace, of Lewis street, had the wad of a blank cartridge shot into his left hand yesterday while handling a revolver. The boy was taken to the City hospital, where Dr. McCausland probed nearly an hour to find the particle, with success. The lad was taken home to-day.

Frank, son of Mr. Wm. Crighton, of the Kerr Murry works, had his left hand burned by the explosion of a small bottle of powder.

Frank Mehl, living at 95 Superior street, had his left thumb blown partly off and his face considerably burned while handling a pistol.

Mr. Will Scherer, of the McKinnie house, was a victim to a cannon accident. His face was powdered.

Dr. Laubach dressed the wound of a lad named Rodenbeck, at Moellering's drug store. A small revolver carelessly handled went off, sending the charge into the boy's hand.

Poisoned His Wife.

BIRMINGHAM, Ala., July 5.—The body of the wife of Rev. Henry Duncan; the preacher who eloped with Miss Baldsee, was exhumed yesserday, and it was found that she had been poisoned. There is talk of lynching the reverend gentleman.

He Will Turn Up.

CHICAGO, July 5.—T. Burlingham, the north side druggist, who sailed for England Wednesday afternoon to escape the wrath of the Chicago Clan-na-Gael is liable turn up shortly as a witness for the *Times* in the Parnell suit.

FRIDAY, JULY 5. 1889.

IT was a "quiet" Fourth in Fort Wayne.

NEW YORK will spend $1,681,000 this year for paving and repaving the streets.

THE people of Richmond, Ind., are talking about building a new court house.

THE salary of the postmaster at Marion, Ind., is $2,200. The city claims a population of 12,000.

THE marriage of the earl of Fife and Princess Louise, daughter of the prince of Wales, will take place next spring.

THE elections for members of the Bohemian diet resulted in a victory for the party opposed to the German alliance.

THE world's peace congress resolved to hold the next conference in London. Senator Sherman was elected a vice president.

THE navy department is making preparations for observing the total eclipse of the sun which will occur on December 21st. It will be visible in its totality on the south coast of Africa.

A PETRIFIED turtle weighing 53,000 pounds has been found in Park county, Indiana. Whether it was originally a green or a mock turtle the intellectual liar who telegraphs the information does not state.

MICHAEL DAVITT testified before the Parnell commission that he had known Alexander Sullivan since 1873 and had the highest opinion of his ability as a lawyer, his character as a citizen and his honor as a man.

COL. ZOLLINGER, the state pension agent, has received notice that a million dollars has been placed to the credit of his agency. This relieves the demand made by pensioners. During the fiscal year just closed the Colonel has paid out $8,000,000. He has now nearly 45,000 names on his roll.

THERE is talk of starting a new democratic paper at Marion, Ind. It seems there is some sort of trouble down there, for the *Democrat*, in speaking of the new enterprise, says: "In the interests of harmony, we agreed to sell, but now, that matters have gone thus far, we have this to say, that *The Democrat* is for sale only on one condition—at the price submitted. We do not propose to be bulldozed, and faithfully promise should a new paper be started, that we will be on hand to preach its funeral sermon, as we have several more worthy journals before it."

FISH IN NORTHERN INDIANA.

Fish Commissioner Dennis has succeeded in securing a guarantee that a fish ladder will be erected at the dam in the St. Joseph river at Niles, Mich. The advantage of this move is shown in the fact that this ladder and others to be put in will provide means for the finny multitudes of Lake Michigan to find a way to the vast hatching and breeding grounds surrounding the many lakes and marshes of northern Indiana and southern Michigan, so that in two or three years the water will teem with the richest and choicest food, and furnish the healthiest and most gratifying sport to thousands of people for all years to come.

The lakes of eight counties, which number between 500 and 800, have been deprived of their fish by the impossibility of the fish returning from the lakes to spawn. The ladder at Niles will now make it possible, and will make northern Indiana the best depository of fish in the world.

THE SULLIVAN-KILRAIN FIGHT.

The prize fight between John L. Sullivan and Jake Kilrain, which is to take place next Monday in the south, is one of the greatest events in sporting circles that has occurred for years, and although THE SENTINEL condemns in the strongest of terms this brutal exhibition, it cannot refrain, as a mirror of the events of the times, from giving the news concerning it that comes to us over our own special wire.

It would be a good thing if a cyclone or something else would overtake these loafer pugilists before they meet in the ring, or better still if the officers would arrest all who have any hand in their coming meeting and with Sullivan and Kilrain, place them behind prison bars. Neither of these things, however, are likely to come to pass. The two sluggers will meet and the readers of THE SENTINEL will learn in our Monday evening's issue the result of the disgraceful proceeding.

The only claim Sullivan and Kilrain have to distinction is their physical strength and brutal instincts. They are both great big brutal loafers. Sullivan's life has been marked with a succession of crimes and drunken debauches. He has done nothing worthy of emulation in his life, but nearly everything deserving of condemnation. Kilrain, while perhaps not dissipated, is but little better. He is a bruiser of the lowest type and his only ambition is to wear the championship belt as a prize fighter. The duty of executive officers everywhere is to prevent prize fighting. It is a type of viciousness that is demoralizing in its effects and a disgrace to the country. The Sullivan-Kilrain crowd deserve to wear stripes, and they should get them.

A BRILLIANT PRODUCTION.

Newton Beers' "Enoch Arden" Inaugurates the Season's Performance at the Temple.

Those who were fortunate enough to witness the performance of Newton Beers "Enoch Arden" at the Temple Wednesday or Thursday, will long remember it as the finest spectacular and scenic production presented on a Fort Wayne stage for a long time.

Mr. Newton Beers in his arrangement and dramatization of "Enoch Arden," has hit upon something that brings out Lord Tennyson's poem in a manner to inspire the warmest admiration of an audience.

When it is remembered that the company worked against odds by reason of the hurried preparation in rehearsals and scenery setting, it must be conceded that Mr. Beers has in his production a remarkable thing. He is surrounded by a corps of artists that are clever, a chorus and ballet that are exceptionally good and a stage setting that is more than complete. It is seldom our theatre-goers have the opportunity to witness an attraction given on such a scale of magnificence as this. The scenery is new and the company will certainly have to discard some of it, as there is more than can be reasonbly shown in the time allotted in one performance.

Two scenes, act third, "Wreck of the Good Fortune," and act fourth the "Festival of the Magog," were marvellous.

The play itself is as delightful as it is interesting. Mr. Newton Beers' portrayal of the hero was given in a manner to indicate his earnest conception of the part. Miss Marion Abbott, the leading lady, as *Anne Lee*, gives an harmonious rendering of her part. Her "Lullaby" captured the audience. W. W. Walton as *Peter Lane*, and Mrs. Farren as *Mrs. Lane*, are a team, and carried their parts in an excellent manner. Henry Stoddard, as the *Village Doctor*, was also good, and, in fact, the parts are all well cast and well executed. L. J. Loring, as *Ben Barnacle*, and Harry J. Howard, as one of the *Three Sea Dogs* were notable for their smooth acting. The Davenport brothers gave a superb exhibition of vaulting, boxing, etc.

The company gave its initial performance in this city. They gave it in a highly creditable manner, and if they continue in this line they will win laurels before the season is over.

EDUCATIONAL ENTERPRISE.

The Fort Wayne College to be Endowed as a University.

It is an open secret that the trustees and faculty of the Fort Wayne college, (known in former years as the M. E. college) at their recent annual meeting had for their consideration certain overtures from New York gentleman looking greatly to the advance of the institution.

It was outlined that the college be converted into a first class university possessing the advantages necessary to make it of national reputation. It is intended to introduce law and medical departments to the usual university branches if the plan is found to be satisfactory.

Prof. Herrick has been retained as president and will exert himself for the college interests.

Distress after eating, heartburn, sick headache and indigestion are cured by Hood's Sarsaparilla. It also creates a good appetite.

THE inhabitants of the Indian Territory are said to be substantially a new race, a mixture of Indian, white, and negro. The leading men speak English fluently. Many of the children of the whites and Indians are handsome, and are sent out of the Territory to be educated. The Creeks have 6,000 children in their schools.

An Extraordinary Phenomenon.

No other term than the above would apply to the woman who could see her youthful beauty fading away without a pang of regret. Many a woman becomes prematurely old and haggard because of functional derangement. What a pity that all such do not know that Dr. Pierce's Favorite Prescription will restore their organs to their normal state, and make them youthful and beautiful once more! For the ills to which the daughter's of Eve are peculiarly liable the "Prescription" is a sovereign remedy. It is the only medicine sold by druggists under a positive guarantee from the manufacturers, that it will give satisfaction in every case, or money will be returned. See guarantee on bottle wrapper.

ANOTHER RAILROAD.

A Proposed Parallel to the Fort Wayne Road.

At a railroad meeting held at Plymouth, Ind., Wednesday afternoon, at Packard & Drummond's office, there were present Col. John Lee, of Crawfordsville; J. M. Harrison and J. F. Johnson, of Columbia City, and Drs. Matchett and France, of Bourbon, besides a large number of Plymouth citizens. Colonel Lee is directing the enterprise and it is proposed to parallel the Pittsburg, Fort Wayne and Chicago, from Fort Wayne to Chicago, by constructing a line about one-fourth of a mile north of the last named road. Colonel Lee's ability in organizing and building the Nickel Plate and other roads is known.

The meeting was organized by the selection of Colonel Lee as chairman and Orlando M. Packard, secretary. It was resolved to hold public meetings at the following times and places, when Colonel Lee and other speakers will state the object of the organization to be formed.

Fort Wayne, July 8, evening.
Columbia City, July 9, evening.
Larwill, July 10, afternoon.
Pierceton, July 10, evening.
Warsaw, July 11, evening.
Bourbon, July 12, evening.
Plymouth, July 13, evening.
Valparaiso, July 15, evening.

There will be a general meeting for the organization of the proposed company at Plymouth, Wednesday, July 17, at 2 o'clock p. m.

MR. JAS. J. MCCALLEY, of Monet, Mo., says he had dyspepsia for eight years, which made him a wreck, sick and suffering during the whole time. After trying all the remedies, including all the doctors in reach, he discarded everything and took Swift's Specific. He increased from 114 to 158 pounds, and was soon a sound and healthy man.

THE value of dried potatoes as an article of food is urged by Dr. Jacov M. Shmulevitch. Among the advantages claimed is that it keeps much better than the fresh potatoes, and being far lighter and less bulky is more readily transported. Before cooking, the dried potato is macerated in water for ten or twelve hours.

SINCE the purchase of Alaska it can be said of the United States what has been said of England for the last century—that the sun never sets on her dominions. At sunset in Alaska the next morning's sun is an hour high in Maine.

"Do we have mosquitoes?" repeated the genial landlord. "What's that? Never heard of such a dish. How do you serve 'em, fricasseed?" "That's all right," replied the guest, "I like the place and I'll take the rooms, and your word about the mosquitoes, but I'll just send back for a dozen bottles of Pond's Extract, as a precaution." "Oh they all do that. Have fire in your room last night sir?" "Well, I didn't see any, but perhaps there was; the mercury was 124 °."

Let us give the readers of THE SENTINEL a little timely advice. Hot weather is coming and with it colic, cholera morbus, dysentery, and diarrhoea. The only safe way to combat these diseases, is to keep some reliable remedy at hand, and all who have tried Chamberlain's Colic, Cholera and Diarrhoea Remedy will admit that it is the most prompt, reliable and successful medicine known for these complaints. It costs but 25 or 50 cents, and may be the means of saving you or your family much suffering, if not life itself, before the summer is over. For sale by George H. Loesch and Fred Hoham.

LONG LIFE.

There is nothing in the world more generally desired than long life, yet the majority of people put off caring for their health—not because they are really careless, but because we live our lives at such a pace we have not time to give the subject sufficient thought until we receive a reminder in the shape of a severe illness.

Then, too, we are constantly bewildered by the various schools of medicine, and the physicians who represent them, and often blunder in our choice of a doctor.

If people only knew that the very best health-keeper, life-preserver and disease preventer that has yet been discovered, is simmered down into a concentrated and very palatable form in the shape of New Style Pleasant Taste Vinegar Bitters, they would not hesitate a moment to try it.

But they do not know. How can they know, when so many not only worthless, but positively injurious drugs are constantly flooding the market under various names and guises, that the New Style Vinegar Bitters is as bad as any of them?

They do not know, of course, unless they have the courage to try the New Style. It straightens out a tangled-up system in a very short while, and those who buy it once buy it always.

Why don't you try it, reader? It is sent out by a responsible house, and is exactly as represented. It costs but a dollar for a very large bottle. Try it once and you will never be so glad of anything in your life. Your druggist may not have it, but he will order it for you. Be sure it says New Style Pleasant Taste on carton and bottle before you take it. Try it, and you will feel happier than if you had found a gold mine, for it really is a mine—of health.

A DAY OFF

Demoralizes News Around the Busy Centers and There Was But Little to be Gathered To-Day.

The railroads did a good excursion business yesterday.

Alexander Wilson, of the Pittsburg copper shops, is at Toronto, Ohio.

A. Kinnard, machinist, and wife, spent the day at Rome City yesterday.

James Quinilan, clerk in Shop Clerk Megan's office, "took in", Warsaw yesterday.

Charles Cherry, clerk in Shop Clerk Megan's office, and lady, went to Rome City yesterday.

Nicholas Blum, of the Bass moulding rooms, and Alexander Rentz were at at Huntington yesterday.

Henry C. Witte, of the Bass moulding rooms, has a curiosity in the shape of a live rooster with five toes on each foot.

S. Moutinger, formerly of the Pittsburg car shops, but now of Stevens, Mich., is in the city to remain until after Sunday.

George Gable, of the Chicago and Rock Island railway, with headquarters at Little Rock, Ark., was in the city yesterday visiting his mother.

William Lauer, of the Olds wheel works, who had his finger hurt some time ago, is able to be at the shops, but has the injured member bandaged.

Daniel Pitgen, of the Pittsburg copper shops, is at Chicago. When he returns it will be with a bride, as the boys say he has gone there to get married.

Martin Kramer, of the Pittsburg works, will have to live a bachelor's life for the next six months. His wife leaves this evening for a visit at Paris, France.

Chas. Druhot, a moulder at the Bass works, did not sell opera glasses at the Temple last night. He was out of the city with his girl during the day and failed to return in time.

None of the railroads in India run baggage cars, and no traveler is allowed to take a trunk. Whatever he carries must be bundled up, and no porter will move a bundle three feet without demanding ten cents.

J. H. Lones, the agent of the Pennsylvania company at Warsaw has opened a ticket office at Spring Fountain Park for the benefit of excursionists to that resort, and sells tickets from that place to Warsaw and return for ten cents.

It is rumored that the offices of R. G. Butler, commercial agent of the Eel River division of the Wabash at Detroit, and the office of Division Freight Agent J. M. Osborne, of the Wabash, of Toledo, are to be consolidated.

James A. Ludington, machinist at the Pittsburg shops, is still kept from duty on account of his injured hand. He has not been able to work on this account for two months, but he expects to be able to resume his position in a few weeks.

J. H. Grant, contracting agent at Chicago, has been appointed to succeed F. E. Dille, as Nickel Plate traveling freight agent at Fort Wayne, who is now Nickel Plate agent at Cleveland. D. A. Edgar succeeds Mr. Grant as contrcting agent at Chicago, and J. J. Lynch succeeds Mr. Edgar as secretary to General Freight Agent Spriggs.

C. J. Cross, a brother of C. W. Cross, of the Pittsburg works, is now located at Lima, Ohio. He occupies the position of chief draughtsman for the Silvey Electric Light company. There seems to be what might be termed a three cornered fight in that city on the light question between the electric light, gas and oil companies, but we are sorry to record the fact that the city is now in darkness.

There is a ray of light for the Grand Army of the Republic, the Cincinnati, Wabash and Michigan proposing to make a $6 rate from Indianapolis to Milwaukee and return, which is less than 1 cent a mile. The trip will be by rail to Benton Harbor, then on a fine boat to Milwaukee, making the run from Indianapolis to Milwaukee in twenty-two hours or less. It is believed that this offer, if accepted by three hundred men, will lead to a general demoralization of rates to the annual gathering of the Grand army.

A sort of Monday dullness pervaded the different manufacturing establishments this morning while our reporter was on his usual rounds, and news seemed hard to get. Everybody pronounced yesterday the quietest Fourth of July in Fort Wayne that they had ever witnessed. Many of the men in the shops, with their families, were out of the city. Some went to Warsaw, Rome City, Huntington, New Haven, Chicago, and other places, and others spent the day either at some one of the numerous picnics near the city, or in a quiet manner at their homes. Many of those who spent the day abroad were tardy in presenting themselves for duty this morning, or did not appear at all. Every manufacturing establishment had many absent employes.

Peculiar

In the combination, proportion, and preparation of its ingredients, Hood's Sarsaparilla accomplishes cures where other preparations entirely fail. Peculiar in its good name at home, which is a "tower of strength abroad," peculiar in the phenomenal sales it has attained, Hood's Sarsaparilla is the most successful medicine for purifying the blood, giving strength, and creating an appetite.

The Parnell Fund.

LONDON, July 2.—The Parnell indemnity fund, started by the *Freeman's Journal* to defray the heavy expenses of the Irish party before the special commission, now amounts to over £40,000. The Irish National league of New South Wales has just sent £10,000 as a first installment to this fund and has added £500 for the evicted tenants' fund. Only £20,060 of the money has been expended thus far.

It is Abominable

to go through life with "snags" in the mouth. Abominable not more to the sufferer than his friends. Buy SOZODONT and cleanse the teeth which remain, or, better still, use it now and save your teeth. SOZODONT is economical.

BALTIMORE, Md., July 3.—"Pony" Moore arrived here last evening. He is confident that Kilrain will defeat Sullivan next Monday, but says that if Sullivan should happen to win he (Moore) will immediately challenge Sullivan to fight Charlie Mitchell for £1000, or as much more as he desires.

Have you been to your druggist for a free sample package of Lane's Family Medicine, which is made as simply as tea? Don't fail to call to-day at any druggist's for a free sample of this grand family medicine. Large size package 50c.

J. M. LOOSE RED CLOVER Co, Detroit, Mich.—Gentlemen: My wife has for some time been afflicted with something like a scrofulous disease, and found no relief until she gave your Extract of Red Clover a trial. Change of Route.

The Wabash railway is about to make a change east of Buffalo, in the operation of its through sleeping cars from St. Louis to New York. The through New York sleeper leaves St. Louis at 6:55 p. m., running over the Wabash road to Toledo, thence over the Michigan Central railroad via Detroit and Niagara Falls to Buffalo. From that point, on and after Sunday, May 12, inst., it will run via the New York Central and Hudson River railroad to the Grand Central station in New York city. The Boston sleeper will continue from Buffalo over the West Shore railroad and Hoosac Tunnel route to Boston, as heretofore. 14 tf

Advice to Mothers.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to take. It sooths the child, softens the gums, allays all pain, relieves wind, regulates the bowels and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

ASSAULTED AND STABBED.

Henry McNutt Struck on the Head With an Iron Hook and L. J. Dignan Stabbed.

Yesterday afternoon Henry, son of Supt. L. D. McNutt, acted as conductor on a Glasgow avenue street car. A passenger named John Daily, a blacksmith, living on Webster street, refused to hand over the fare, when young McNutt insisted that he would have to pay or get off the car. Thereupon young Daily, who seemed to be under the influence of liquor, grasped an iron carhook and dealt McNutt a stunning blow on the head, felling him to the floor. Daily then escaped. The injured man was conveyed to the office, at the corner of Calhoun and Main streets, in an insensible condition, blood streaming from a gaping wound several inches long on the side of his head. He was seen there by Dr. Herschel Myers, who ordered him taken to the McNutt residence, corner Calhoun and Dewald streets, where the wounds were dressed. Dr. Greenawalt was also called on the case, and says while the concussion is severe, the young man will recover.

Daily was arrested and arraigned before 'Squire Ryan. He furnished $200 bonds with John Mohr, Jr., surety and was released. His trial will come up next week.

STABBED IN A ROW.

Yesterday afternoon a crowd of young men were returning north on Broadway, after having poured down a quantity of lager at some of the numerous drinking places. The party was what could be termed "gay," so it is natural that a row would ensue when a crowd similarly affected met them opposite the City park. Such was the case, and in the fight L. J. Dignan, a son of Mr. L. Dignan, in the employ of the water power company, was stabbed with a pocket knife. The wounds are located on the left shoulder and are deep. Dignan was half carried to Noll's drug store, where Dr. Derbyshire began to dress the wounds, when he was rudely interfered with by an officer who had called the patrol wagon for the purpose of taking the injured young man to the police station. The physician accompanied him there and dressed the wounds.

Young Dignan fainted this morning when he was taken home from the station and is now confined to the bed.

AN ANTWERP TRAGEDY.

A Wronged Husband Shoots His Wife While Attempting the Life of Her Paramour.

The meager details of a tragedy which occurred at Antwerp, Ohio, last night, comes to us this afternoon. The wife of a Mr. Hilker was out riding with another man when they were met by the jealous and wronged husband. He raised his revolver to shoot his paramour and fired. The ball missed its mark and hit his own wife, who was fatally injured.

Dr. W. H. Myers, of this city, was summoned to the woman's bedside, and he left immediately for Antwerp. At the hour THE SENTINEL reporter heard of the shooting, the wounded woman was still alive.

The ball entered the brain of the woman and Dr. Myers will attempt to extract it by performing the operation of trepanning.

FIVE DROWNED.

The Sad Fate That Overtook a Party of Picnicers.

PITTSBURG, Pa., July 5.—A sad accident happened at the picnic of the Arch Street Methodist Episcopal church, of Allegheny City, at Forest Grove yesterday, in which five young people were drowned. The names are: Nellie Burton, aged eighteen years; May Royal, aged sixteen years; Ida Cassiday, aged twenty-two years; Fannie McComb, aged about eighteen years, and Bert Freeman, aged twenty years.

The five named, together with Edward Shaffer, took an old barge and started for a ride on Connaquessing creek. The stream was very turbulent and the barge capsized, throwing the occupants into the water. Young Shaffer succeed in reaching the shore, but the others went down before assistance could reach them. The bodies have not been recovered.

WILL KILRAIN FLUNK!

The Opinion Expressed That He is Getting "Shaky" and Will Never Enter the Ring.

NEW ORLEANS, July 3.—At a late hour last night the rumor was current that Kilrain had flunked and would not meet Sullivan. The Sullivan men, who are on the inside, are betting almost any odds that Kilrain will not arrive here on Friday, Saturday or Sunday, and will take odds that he does not appear in the ring on Monday.

In the rotunda of the St. Charles hotel Lynney Tracey, who is a strong Sullivan man, met Billy Harding, who represents R. K. Fox, Kilrain's backer, and offered to bet him $100 that Kilrain will not appear in New Orleans. That Harding refused what should appear like sure money is deemed significant.

It is also asserted that Governor Lowry, of Mississippi, has offered $1,000 reward to any sheriff arresting Kilrain on his passage through the state.

KILRAIN STARTS.

CINCINNATI, O., July 5.—Kilrain and party left for New Orleans over the Queen and Crescent route at 8 o'clock this morning. To a United Press reporter before leaving, Kilrain said: "I am in first class condition, and I have enjoyed my stay in Cincinnati greatly, barring the statement of that bloody reporter of a morning paper, who said I was looking blue yesterday. That is a mean contemptible lie. It is the only mean thing the papers have said about me. I wish you would contradict it for me in the very strongest terms. It is an infernal lie, as any of the party with me know, and they will say the same thing."

"I would not care a penny about it if it wasn't that the report will go east to my friends, and they may think I am not doing right by them. I am sorry this thing happened in Cincinnati, because it is a tank Sullivan town, and makes me think Sullivan's friends are unfair to me. However, it don't matter. After I have whipped Sullivan they will all hurrah for me."

A few minutes before the train left John T. Norris, the noted detective, appeared and took a seat in Kilrain's special car, the Aida. The report at once spread that Norris intended accompanying the party into Mississippi, where he would arrest Kilrain and claim the $500 reward offered by the governor of that state for either of the principals in the fight. Fony Moore took Norris in tow and plied him with questions as to his destination and business. Norris said:

"I am only going down to Lexington with a requisition for a prisoner and have no intention of going to the fight."

Several of the party said that Norris would find it to his interest to leave the train at Lexington.

Kilrain exhibited a good deal of nervousness about the probabilities of an interruption of the fight, and spoke rather sharply to Mitchell when he said he was not fully posted as to the arrangements for getting through the state of Mississippi, which is the territory they most fear. "I say, Charlie," said Kilrain, "we must not make a stop in that state. We can't afford to run any risks, you know."

SULLIVAN AT NEW ORLEANS.

NEW ORLEANS, July 5—Sullivan passed a good night at his quarters in Mr. John Duffy's house, on Rampart street. He arose at 7 o'clock this morning, and after eating a hearty breakfast, met several friends, with whom he chatted pleasantly. This morning he will exercise for three hours at the Young Men's gymnasium.

WILL KILRAIN FLUNK?

Many of Sullivan's most intimate friends affect to feel that there will be no fight. They say that the odds are that Jake will be arrested before he reaches this city. They base this from information that Jake is not in good condition and that he did not work yesterday in Cincinnati. Mr. Barney McGuire this morning, said: "The reports that have reached me say that Jake looks tired and worn and he is disgusted that his backer has hedged out his stake money. He never expected to see the big fellow get into condition."

"He always had a hearty dread of John until he broke his arm and went wrong and now that he finds he has recovered and is better than ever he has not a bit of a desire for a fight with him."

Maguire has $5,000 already bet on the fight and has as much more to bet at the ring. He offers to bet $3,000 as follows: One thousand dollars that Sullivan wins the fight, $1,000 that he wins the first knock-down and $1,000 that he draws first blood. Phil Lynch last night bet a prominent New York sport $500 to $400 that Sullivan would win.

There has been a large number of arrivals here this morning, some coming from as far distant points as Colorado and Massachusetts. By Saturday night it is believed

TWENTY THOUSAND STRANGERS

will be in town. Tickets, entitling holders to witness the fight, are on sale this morning; there are five hundred applications for press seats, and but thirty will be given.

The weather is intensely hot, which gives considerable annoyance to Sullivan. It may be found necessary to return to the original plan decided upon by his trainers and take him to Spanish Fork, which is tempered by a breeze from the bay. Before breakfast this morning Sullivan took a bath and was well rubbed down. Subsequently he took an hour's exercise at the gymnasium here.

The exercises consisted of pounding the sand bag and swinging dumb bells. Muldoon says he must keep his weight down, which shows a decided tendency to increase. The missing of the train by Kilrain yesterday at Cincinnati is regarded as an ill omen by the betting men, and they declare it forebodes defeat.

WILY WHITE.

After Four Months He is Arrested on Charge of Forgery.

This afternoon Sheriff Viberg and Deputy Wilkinson effected the arrest of Luther N. White, of this city, who is wanted on a charge of forgery. He disposed of notes on A. J. Benton and William Palmer, of Columbia City, which it is claimed he forged. 'Squire France bound him over in the sum of $400. He went to jail.

THAT DEPOT AGAIN.

An Instrument of Appropriation Filed by the Lake Shore People.

The Lake Shore and Michigan Southern, by its attorney, John H. Baker, filed to-day in the superior court an instrument of appropriation against Wm. Fleming, Stephen B. Bond and Frederick Eckart, who own in fee as tenants certain land on the north side.

The company claim that the property is necessary for their use in the construction of the depot and other necessary terminus facilities, and further aver that they have been unable to agree with said defendants.

THE FOURTH'S FATALITIES.

The Chapter of Casualties as They Occurred in All Parts of the Country.

OKLAHOMA, Ind. T., July 5.—The Fourth of July festivities were brought to a sad ending yesterday afternoon, by the fall of the grand stand, with its living load of human beings. Nearly 1,000 people had secured seats to witness the races, when, without warning, the structure fell, burying the mass of people beneath it. One person was killed and nearly a hundred injured.

DES MOINES, Iowa, July 5.—The Chicago, Burlington and Quincy passenger train going west and the rear section of freight No. 12, going east, collided about 10 o'clock, yesterday morning. A number of cars were wrecked, and Wm. Blackburn, express messenger, was fatally injured. Many others were badly injured.

FORDOBO, Mass., July 5.—Yesterday Sumner Healey, son of Warren B. Healey, of New York, accidentally shot a boy named Samuel Johnson, while target shooting. It is thought Johnson can not live.

FREDERICKSBURG, Va., July 5.—Henry Johnson, a respectable colored citizen of Penola, Va., was stabbed to death at the depot in this city at a late hour last night by Johnny Washington, a negro rough, who was arrested and jailed.

WEST BROOKFIELD, Mass., July 5.—The body of James Clennan, of West Brookfield, was found on the Boston and Albany railroad track this morning. He had been run over by a train and killed. He was sixty years of age and leaves a son.

HOLYOKE, Mass., July 5.—Yesterday, owing to the breaking of a guy on a derrick used in the course of repairs to the Connecticut River railroad bridge over the second level canal, the derrick fell on the iron bridge, smashing one of the masts, of which one fragment struck and killed John McMahon, a laborer, aged forty, and another piece struck Geo. H. Heifer in the chest, inflicting probably fatal internal injuries.

ST. JOHNSBURG, Vt., July 5.—Fred Blanchard, of Mt. Indoes Fall, aged about twenty-five, drilled a hole in a rock Wednesday night and filled it with powder for the purpose of awakening the town's people on the Fourth. He got up about 4 a. m. and fired off the charge. He was found dead near the rock at 6 a. m. with one hand blown off.

AFTER THE FUN.

How the Natal Day Was Spent in This City and Vicinity—Haps and Mishaps of the Day.

The Fourth of July.

The day when our American bird loses all its tail feathers while screeching for the cause of freedom and independence, has come and gone.

Although the demonstration of patriotism in this city would not stir an immortal from his reverie, there was a combination of fine weather, picnics and fire crackers that was enjoyable.

At as early an hour as 4 a. m., Lieutenant Ranke had the Gatling gun squad out for the purpose of creating noise, and if the populace was not up early to witness a glorious sun in a clear sky it was no fault of the battery.

The numerous picnics were well attended and well patronized. The picnic given at Vordermark's grove east of the city was the greatest attraction of all. It was given under the auspices of Sion S. Bass post, and the Sons of Veterans. The Hurshtown band of Cedar Creek township furnished music. The congregation of Emanuel Lutheran church enjoyed themselves on the green at the high banks. That popular organization, the Orpheus singing society, held carnival at Reidmiller's grove. St. Peter's at DeWald's grove, and Zion's church in the same vicinity. St. Paul's Lutheran were at Concordia college grounds. In the evening there was a general display of fireworks. The day is invariably attended with accidents and THE SENTINEL devotes space in this issue to record them.

The ball games at the fair grounds, under the management of Capt. Billy Meyer, were well attended both morning and afternoon. The receipts were about $500. In the morning the Brunswicks beat the Sports 22 to 13 and took second money, $65. In the afternoon the Hoosiers beat the Brunswicks 14 to 8 and took first money, $100. The Sports took the third purse, $35.

The shoot at White's range attracted a number of shooters. Mr. W. R. Durfee won the bird match and a sweepstake shoot and Mr. Herman Krohne won a sweepstake match.

AT NEW HAVEN.

Yesterday was a big day at New Haven. The St. Bernard and St. John's uniform rank C. K. of A., of this city, went there by special invitation. They were escorted to the Nickel Plate depot from Library hall at 8:30 o'clock by the New Haven band.

Upon their arrival at New Haven, Capt. Tibbets, of the commandery there was made officer of the day, and under his command a parade of the town was made. A grand collation was tendered the visitors and the entire company. Altogether it was an eventful day at that place.

AT HUNTINGTON.

Huntington celebrated yesterday in an elegant way. To the fair grounds at an early hour marched the ladies' societies of the Masonic, Odd Fellows and Knights Pythias lodges, headed by the Huntington band and drum corps. The procession was quite lengthy and imposing. At the grounds a neat program was gone through with and some excellent vocal music was furnished by the renowned Emerson quartet. Numerous picnic dinners were spread in the grove and the day was much enjoyed by the participants, who numbered up in the thousands.

About 9:30, over the Chicago and Atlantic, arrived the Catholic Benevolent legion and the Catholic Knights of St. St. Charles, of this city, and the Uniform legion, of Decatur, together with a couple hundred excursionists, where they were met by the Catholic societies of Huntington, headed by the cornet band of Roanoke.

The procession soon formed and marched to the Cold Springs grove, west of the city, where great preparation had been made for their reception. Neat booths were dotted about the grounds, where refreshments of all kinds were served. After an able address by Judge Henry B. Sayler and other exercises, games of base ball were played and the uniformed societies participated in a competitive prize drill, at which the Decatur legion carried off the honors. The First Regiment band accompanied the excursion from here. The Fort Wayne excursion received accessions at Sheldon.

Altogether the Huntington celebration was a brilliant success and reflects much credit on the promoters of the movement, as the city was thronged with people all day.

AT WARSAW.

The Fourth was celebrated with much enthusiasm at Warsaw. About two hundred people went from this city. The Rifles of this city put up their silent drill and were complimented. The other military companies attending were the Elkhart cadets, Logansport Greys, Conn Battery, Elkhart and the Warsaw boys. There was a baloon ascension and other features. Mr. E. F. Yarnelle, of this city, was officer of the day.

NOTES.

Lots of people went out of the city.

Beer was sold at most of the picnics. Several drunks.

Meyer Bros. & Co., and Dreier Bros. had elegant displays.

Kierbach's string band furnished music at the St. Peter's picnic.

Hon. W. H. Shambaugh delivered the oration at Vordermark's grove yesterday.

It is said that more than one Fort Wayne man drank Warsaw stimulants yesterday.

Comparing it with some of Fort Wayne's celebrations, it was a remarkably quiet day.

Mr. E. H. Bookwalter, of the Sons of Veterans, read the declaration of independence at Vordermark's grove.

The Eureka club gathered at their rooms at the corner of Calhoun and Main streets and shot off an expensive display.

John Christen, of the Ale House, had a fine display of fire-works last night. Hundreds of boxes of fire crackers were used up in front of his place.

The Ladies' Relief corps refused to join the Grand Army and Sons of Veterans in the picnic at Vordermark's grove because beer privileges had been let.

Rev. R. M. Barns delivered the Fourth of July oration at Ossian to a large crowd, who celebrated in the old fashioned way. In the evening they had a magnificent display of fireworks.

Embezzlers Arrested.

NEW YORK, July 5.—Henri Antoine Noll, his wife, Blanche Noll, and Paul Hommont, who are residents of Paris, were arrested for embezzling a large amount of money in France.

Frank Hoyt, paying teller of the First National bank of Hoboken, was arrested to-day for embezzling $18,000.

GEO. W. EWING,

The Young Fort Wayne Millionaire, Brings Suit to Possess $2,000,000 Worth of Property in St. Paul.

ST. PAUL, Minn., July 5.—Geo. W. Ewing, of Fort Wayne, Ind., has made a claim through an attorney to one-fifteenth interest in property in various parts of St. Paul, estimated to be worth $2,000,000.

December 3, 1888, Geo. W. Ewing, Jr., conveyed to his father, Geo. W. Ewing, considerable real estate in this county, in trust, to devote the income for the maintenance of the grantor and trustees and at his death to revert to his legal representatives. Both the trustees and grantor are dead, and Geo. W. Ewing, third and only son of Geo. W. Ewing, Jr., having now come of age, intends bringing suit to recover the property, unless a satisfactory adjustment can be made.

The above relates to the same title under which several suits were instituted against residents of this city and of which THE SENTINEL has given a full account.

BRUISED, BATTERED, BURNED.

A Number of Persons Who Celebrated the Fourth to Their Sorrow.

Willie, the twelve-year-old son of Mr. and Mrs. Frederick Unger, of 10 Pritchard street, had his face filled with powder by the bursting of a toy cannon. Dr. H. V. Sweringen attended and pronounced it a very serious case. The lad may lose the sight of one eye.

A ten-year-old son of Mr. William Schulz, of 152 Horace street, while handling a loaded pistol, was shot in the hand, the bullet passing entirely through the member. The flesh is also badly lacerated and Dr. C. B. Stemen, who attended, had to do some delicate surgery to avoid amputation.

Mr. Phillip Wagner, barkeeper in his father's saloon, on East Main street, looked into the muzzle of a brass cannon when the thing suddenly exploded, sending its contents into the young man's face. Dr. Seaton was two hours in getting the young man's eyes open. The sight of one eye, it is likely, has been destroyed. The powder, too, has imbedded itself deeply into the flesh, making it altogether the most serious accident which happened in the city yesterday.

A son of John Habecher had his hand very badly injured by the premature explosion of fireworks. The Drs. Boswell attended him.

Mr. Sam Henderson, foreman of the Pittsburg car shops, returned from Chicago in the evening, and while igniting fire works at his home, burned his thumb. He says it was the fault of his mischievous cat. Sam has an accident insurance, consequently he is all right.

Lee, the twelve-year-old son of Judge L. M. Ninde, had his face filled with powder yesterday while shooting off a cannon.

John E. Franks, of 142 East Wayne street, looked into the muzzle of a cannon, when the piece went off, sending its contents into his face. Dr. McOscar attended him.

Clifford, the twelve-year-old son of Engineer Wallace, of Lewis street, had the wad of a blank cartridge shot into his left hand yesterday while handling a revolver. The boy was taken to the City hospital, where Dr. McCausland probed nearly an hour to find the particle, with success. The lad was taken home to-day.

Frank, son of Mr. Wm. Crighton, of the Kerr Murry works, had his left hand burned by the explosion of a small bottle of powder.

Frank Mehl, living at 95 Superior street, had his left thumb blown partly off and his face considerably burned while handling a pistol.

Mr. Will Scherer, of the McKinnie house, was a victim to a cannon accident. His face was powdered.

Dr. Laubach dressed the wound of a lad named Rodenbeck, at Moellering's drug store. A small revolver carelessly handled went off, sending the charge into the boy's hand.

Poisoned His Wife.

BIRMINGHAM, Ala., July 5.—The body of the wife of Rev. Henry Duncan, the preacher who eloped with Miss Baldsee, was exhumed yesterday, and it was found that she had been poisoned. There is talk of lynching the reverend gentleman.

He Will Turn Up.

CHICAGO, July 5.—T. Burlingham, the north side druggist, who sailed for England Wednesday afternoon to escape the wrath of the Chicago Clan-na-Gael is liable turn up shortly as a witness for the *Times* in the Parnell suit.

THERE is talk of starting a new democratic paper at Marion, Ind. It seems there is some sort of trouble down there, for the *Democrat*, in speaking of the new enterprise, says: "In the interests of harmony, we agreed to sell, but now, that matters have gone thus far, we have this to say, that *The Democrat* is for sale only on one condition—at the price submitted. We do not propose to be bulldozed, and faithfully promise should a new paper be started, that we will be on hand to preach its funeral sermon, as we have several more worthy journals before it."

FISH IN NORTHERN INDIANA.

Fish Commissioner Dennis has succeeded in securing a guarantee that a fish ladder will be erected at the dam in the St. Joseph river at Niles, Mich. The advantage of this move is shown in the fact that this ladder and others to be put in will provide means for the finny multitudes of Lake Michigan to find a way to the vast hatching and breeding grounds surrounding the many lakes and marshes of northern Indiana and southern Michigan, so that in two or three years the water will teem with the richest and choicest food, and furnish the healthiest and most gratifying sport to thousands of people for all years to come.

The lakes of eight counties, which number between 500 and 800, have been deprived of their fish by the impossibility of the fish returning from the lakes to spawn. The ladder at Niles will now make it possible, and will make northern Indiana the best depository of fish in the world.

THE SULLIVAN-KILRAIN FIGHT.

The prize fight between John L. Sullivan and Jake Kilrain, which is to take place next Monday in the south, is one of the greatest events in sporting circles that has occurred for years, and although THE SENTINEL condemns in the strongest of terms this brutal exhibition, it cannot refrain, as a mirror of the events of the times, from giving the news concerning it that comes to us over our own special wire.

It would be a good thing if a cyclone or something else would overtake these loafer pugilists before they meet in the ring, or better still if the officers would arrest all who have any hand in their coming meeting and with Sullivan and Kilrain, place them behind prison bars. Neither of these things, however, are likely to come to pass. The two sluggers will meet and the readers of THE SENTINEL will learn in our Monday evening's issue the result of the disgraceful proceeding.

The only claim Sullivan and Kilrain have to distinction is their physical strength and brutal instincts. They are both great big brutal loafers. Sullivan's life has been marked with a succession of crimes and drunken debauches. He has done nothing worthy of emulation in his life, but nearly everything deserving of condemnation. Kilrain, while perhaps not dissipated, is but little better. He is a bruiser of the lowest type and his only ambition is to wear the championship belt as a prize fighter. The duty of executive officers everywhere is to prevent prize fighting. It is a type of viciousness that is demoralizing in its effects and a disgrace to the country. The Sullivan-Kilrain crowd deserve to wear stripes, and they should get them.

A BRILLIANT PRODUCTION.

Newton Beers' "Enoch Arden" Inaugurates the Season's Performance at the Temple.

Those who were fortunate enough to witness the performance of Newton Beers "Enoch Arden" at the Temple Wednesday or Thursday, will long remember it as the finest spectacular and scenic production presented on a Fort Wayne stage for a long time.

Mr. Newton Beers in his arrangement and dramatization of "Enoch Arden," has hit upon something that brings out Lord Tennyson's poem in a manner to inspire the warmest admiration of an audience.

When it is remembered that the company worked against odds by reason of the hurried preparation in rehearsals and scenery setting, it must be conceded that Mr. Beers has in his production a remarkable thing. He is surrounded by a corps of artists that are clever, a chorus and ballet that are exceptionally good and a stage setting that is more than complete. It is seldom our theatre-goers have the opportunity to witness an attraction given on such a scale of magnificence as this. The scenery is new and the company will certainly have to discard some of it, as there is more than can be reasonably shown in the time allotted in one performance.

Two scenes, act third, "Wreck of the Good Fortune," and act fourth the "Festival of the Magog," were marvelous.

The play itself is as delightful as it is interesting. Mr. Newton Beers' portrayal of the hero was given in a manner to indicate his earnest conception of the part. Miss Marion Abbott, the leading lady, as *Anne Lee*, gives an harmonious rendering of her part. Her "Lullaby" captured the audience. W. W. Walton as *Peter Lane*, and Mrs. Farren as *Mrs. Lane*, are a team, and carried their parts in an excellent manner. Henry Stoddard, as the *Village Doctor*, was also good, and, in fact, the parts are all well cast and well executed. L. J. Loring, as *Ben Barnacle*, and Harry J. Howard, as one of the *Three Sea Dogs* were notable for their smooth acting. The Davenport brothers gave a superb exhibition of vaulting, boxing, etc.

The company gave its initial performance in this city. They gave it in a highly creditable manner, and if they continue in this line they will win laurels before the season is over.

EDUCATIONAL ENTERPRISE.

The Fort Wayne College to be Endowed as a University.

It is an open secret that the trustees and faculty of the Fort Wayne college, (known in former years as the M. E. college) at their recent annual meeting had for their consideration certain overtures from New York gentleman looking greatly to the advance of the institution.

It was outlined that the college be converted into a first class university possessing the advantages necessary to make it of national reputation. It is intended to introduce law and medical departments to the usual university branches if the plan is found to be satisfactory.

Prof. Herrick has been retained as president and will exert himself for the college interests.

Distress after eating, heartburn, sick headache and indigestion are cured by Hood's Sarsaparilla. It also creates a good appetite.

THE inhabitants of the Indian Territory are said to be substantially a new race, a mixture of Indian, white, and negro. The leading men speak English fluently. Many of the children of the whites and Indians are handsome, and are sent out of the Territory to be educated. The Creeks have 6,000 children in their schools.

An Extraordinary Phenomenon.

No other term than the above would apply to the woman who could see her youthful beauty fading away without a pang of regret. Many a woman becomes prematurely old and haggard because of functional derangement. What a pity that all such do not know that Dr. Pierce's Favorite Prescription will restore their organs to their normal state, and make them youthful and beautiful once more! For the ills to which the daughter's of Eve are peculiarly liable the "Prescription" is a sovereign remedy. It is the only medicine sold by druggists under a positive guarantee from the manufacturers, that it will give satisfaction in every case, or money will be returned. See guarantee on bottle wrapper.

ANOTHER RAILROAD.

A Proposed Parallel to the Fort Wayne Road.

At a railroad meeting held at Plymouth, Ind., Wednesday afternoon, at Packard & Drummond's office, there were present Col. John Lee, of Crawfordsville; J. M. Harrison and J. F. Johnson, of Columbia City, and Drs. Matchett and France, of Bourbon, besides a large number of Plymouth citizens. Colonel Lee is directing the enterprise and it is proposed to parallel the Pittsburg, Fort Wayne and Chicago, from Fort Wayne to Chicago, by constructing a line about one-fourth of a mile north of the last named road. Colonel Lee's ability in organizing and building the Nickel Plate and other roads is known.

The meeting was organized by the selection of Colonel Lee as chairman and Orlando M. Packard, secretary. It was resolved to hold public meetings at the following times and places, when Colonel Lee and other speakers will state the object of the organization to be formed.

Fort Wayne, July 8, evening.
Columbia City, July 9, evening.
Larwill, July 10, afternoon.
Pierceton, July 10, evening.
Warsaw, July 11, evening.
Bourbon, July 12, evening.
Plymouth, July 13, evening.
Valparaiso, July 15, evening.

There will be a general meeting for the organization of the proposed company at Plymouth, Wednesday, July 17, at 2 o'clock p. m.

MR. JAS. J. McCALLEY, of Monet, Mo., says he had dyspepsia for eight years, which made him a wreck, sick and suffering during the whole time. After trying all the remedies, including all the doctors in reach, he discarded everything and took Swift's Specific. He increased from 114 to 158 pounds, and was soon a sound and healthy man.

THE value of dried potatoes as an article of food is urged by Dr. Jacov M. Shmulevitch. Among the advantages claimed is that it keeps much better than the fresh potatoes, and being far lighter and less bulky is more readily transported. Before cooking, the dried potato is macerated in water for ten or twelve hours.

SINCE the purchase of Alaska it can be said of the United States what has been said of England for the last century—that the sun never sets on her dominions. At sunset in Alaska the next morning's sun is an hour high in Maine.

"Do we have mosquitoes?" repeated the genial landlord. "What's that? Never heard of such a dish. How do you serve 'em, fricasseed?" "That's all right," replied the guest, "I like the place and I'll take the rooms, and your word about the mosquitoes, but I'll just send back for a dozen bottles of Pond's Extract, as a precaution." "Oh they all do that. Have fire in your room last night sir?" "Well, I didn't see any, but perhaps there was; the mercury was 124 °."

Let us give the readers of THE SENTINEL a little timely advice. Hot weather is coming and with it colic, cholera morbus, dysentery, and diarrhoea. The only safe way to combat these diseases, is to keep some reliable remedy at hand, and all who have tried Chamberlain's Colic, Cholera and Diarrhoea Remedy will admit that it is the most prompt, reliable and successful medicine known for these complaints. It costs but 25 or 50 cents, and may be the means of saving you or your family much suffering, if not life itself, before the summer is over. For sale by George H. Loesch and Fred Hoham.

TAR-OID restores this action, hence it cures every form of *Skin Disease*, also sores, burns, etc. It is soothing and wonderfully healing—gratifying results follow in every case. It is harmless and can be used with perfect safety by any one. It is superior to all other remedies. There is positively nothing else like it.

TAR-OID is a sure cure for piles. It never fails. We warrant a cure or refund the money. It gives immediate relief. It is perfectly safe, yet powerful in its action.

LONG LIFE.

There is nothing in the world more generally desired than long life, yet the majority of people put off caring for their health—not because they are really careless, but because we live our lives at such a pace we have not time to give the subject sufficient thought until we receive a reminder in the shape of a severe illness.

Then, too, we are constantly bewildered by the various schools of medicine, and the physicians who represent them, and often blunder in our choice of a doctor.

If people only knew that the very best health-keeper, life-preserver and disease preventer that has yet been discovered, is simmered down into a concentrated and very palatable form in the shape of New Style Pleasant Taste Vinegar Bitters, they would not hesitate a moment to try it.

But they do not know. How can they know, when so many not only worthless, but positively injurious drugs are constantly flooding the market under various names and guises, that the New Style Vinegar Bitters is as bad as any of them?

They do not know, of course, unless they have the courage to try the New Style. It straightens out a tangled-up system in a very short while, and those who buy it once buy it always.

Why don't you try it, reader? It is sent out by a responsible house, and is exactly as represented. It costs but a dollar for a very large bottle. Try it once and you will never be so glad of anything in your life. Your druggist may not have it, but he will order it for you. Be sure it says New Style Pleasant Taste on carton and bottle before you take it. Try it, and you will feel happier than if you had found a gold mine, for it really is a mine—of health.

Free from alcohol and opium; composed of expensive herbs and roots, with fine, delicate flavoring.

A DAY OFF

Demoralized News Around the Busy Centers and There Was But Little to be Gathered To-Day.

The railroads did a good excursion business yesterday.

Alexander Wilson, of the Pittsburg copper shops, is at Toronto, Ohio.

A. Kinnard, machinist, and wife, spent the day at Rome City yesterday.

James Quinlan, clerk in Shop Clerk Megan's office, "took in", Warsaw yesterday.

Charles Cherry, clerk in Shop Clerk Megan's office, and lady, went to Rome City yesterday.

Nicholas Blum, of the Bass moulding rooms, and Alexander Rentz were at at Huntington yesterday.

Henry C. Witte, of the Bass moulding rooms, has a curiosity in the shape of a live rooster with five toes on each foot.

S. Moutinger, formerly of the Pittsburg car shops, but now of Stevens, Mich., is in the city to remain until after Sunday.

George Gable, of the Chicago and Rock Island railway, with headquarters at Little Rock, Ark., was in the city yesterday visiting his mother.

William Lauer, of the Olds wheel works, who had his finger hurt some time ago, is able to be at the shops, but has the injured member bandaged.

Daniel Pfigen, of the Pittsburg copper shops, is at Chicago. When he returns it will be with a bride, as the boys say he has gone there to get married.

Martin Kramer, of the Pittsburg works, will have to live a bachelor's life for the next six months. His wife leaves this evening for a visit at Paris, France.

Chas. Drabot, a moulder at the Bass works, did not sell opera glasses at the Temple last night. He was out of the city with his girl during the day and failed to return in time.

None of the railroads in India run baggage cars, and no traveler is allowed to take a trunk. Whatever he carries must be bundled up, and no porter will move a bundle three feet without demanding ten cents.

J. H. Lones, the agent of the Pennsylvania company at Warsaw has opened a ticket office at Spring Fountain Park for the benefit of excursionists to that resort, and sells tickets from that place to Warsaw and return for ten cents.

It is rumored that the offices of R. G. Butler, commercial agent of the Eel River division of the Wabash at Detroit, and the office of Division Freight Agent J. M. Osborne, of the Wabash, of Toledo, are to be consolidated.

James A. Ludington, machinist at the Pittsburg shops, is still kept from duty on account of his injured hand. He has not been able to work on this account for two months, but he expects to be able to resume his position in a few weeks.

J. H. Grant, contracting agent at Chicago, has been appointed to succeed F. E. Dille, as Nickel Plate traveling freight agent at Fort Wayne, who is now Nickel Plate agent at Cleveland. D. A. Edgar succeeds Mr. Grant as contracting agent at Chicago, and J. J. Lynch succeeds Mr. Edgar as secretary to General Freight Agent Spriggs.

C. J. Cross, a brother of C. W. Cross, of the Pittsburg works, is now located at Lima, Ohio. He occupies the position of chief draughtsman for the Silvoy Electric Light company. There seems to be what might be termed a three cornered fight in that city on the light question between the electric light, gas and oil companies, but we are sorry to record the fact that the city is now in darkness.

There is a ray of light for the Grand Army of the Republic, the Cincinnati, Wabash and Michigan proposing to make a $6 rate from Indianapolis to Milwaukee and return, which is less than 1 cent a mile. The trip will be by rail to Benton Harbor, then on a fine boat to Milwaukee, making the run from Indianapolis to Milwaukee in twenty-two hours or less. It is believed that this offer, if accepted by three hundred men, will lead to a general demoralization of rates to the annual gathering of the Grand army.

A sort of Monday dullness pervaded the different manufacturing establishments this morning while our reporter was on his usual rounds, and news seemed hard to get. Everybody pronounced yesterday the quietest Fourth of July in Fort Wayne that they had ever witnessed. Many of the men in the shops, with their families, were out of the city. Some went to Warsaw, Rome City, Huntington, New Haven, Chicago, and other places, and others spent the day either at some one of the numerous picnics near the city, or in a quiet manner at their homes. Many of those who spent the day abroad were tardy in presenting themselves for duty this morning, or did not appear at all. Every manufacturing establishment had many absent employes.

Peculiar

In the combination, proportion, and preparation of its ingredients, Hood's Sarsaparilla accomplishes cures where other preparations entirely fail. Peculiar in its good name at home, which is a "tower of strength abroad," peculiar in the phenomenal sales it has attained, Hood's Sarsaparilla is the most successful medicine for purifying the blood, giving strength, and creating an appetite.

The Parnell Fund.

LONDON. July 2.—The Parnell indemnity fund, started by the *Freeman's Journal* to defray the heavy expenses of the Irish party before the special commission, now amounts to over £40,000. The Irish National league of New South Wales has just sent £10,000 as a first installment to this fund and has added £500 for the evicted tenants' fund. Only £20,060 of the money has been expended thus far.

It is Abominable

to go through life with "snags" in the mouth. Abominable not more to the sufferer than his friends. Buy SOZODONT and cleanse the teeth which remain, or, better still, use it now and save your teeth. SOZODONT is economical.

BALTIMORE, Md., July 3.—"Pony" Moore arrived here last evening. He is confident that Kilrain will defeat Sullivan next Monday, but says that if Sullivan should happen to win he (Moore) will immediately challenge Sullivan to fight Charlie Mitchell for £1000, or as much more as he desires.

Have you been to your druggist for a free sample package of Lane's Family Medicine, which is made as simply as tea? J. M. LOOSE RED CLOVER Co, Detroit, Mich.—Gentlemen: My wife has for some time been afflicted with something like a scrofulous disease, and found no relief until she gave your Extract of Red Clover a trial. Change of Route.

The Wabash railway is about to make a change east of Buffalo, in the operation of its through sleeping cars from St. Louis to New York. The through New York sleeper leaves St. Louis at 6:55 p. m., running over the Wabash road to Toledo, thence over the Michigan Central railroad via Detroit and Niagara Falls to Buffalo. From that point, on and after Sunday, May 12, inst., it will run via the New York Central and Hudson River railroad to the Grand Central station in New York city. The Boston sleeper will continue from Buffalo over the West Shore railroad and Hoosac Tunnel route to Boston, as heretofore. 14 tf

Advice to Mothers.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to take. It sooths the child, softens the gums, allays all pain, relieves wind, regulates the bowels and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

ASSAULTED AND STABBED.

Henry McNutt Struck on the Head With an Iron Hook and L. J. Dignan Stabbed.

Yesterday afternoon Henry, son of Supt. L. D. McNutt, acted as conductor on a Glasgow avenue street car. A passenger named John Daily, a blacksmith, living on Webster street, refused to hand over the fare, when young McNutt insisted that he would have to pay or get off the car. Thereupon young Daily, who seemed to be under the influence of liquor, grasped an iron car-hook and dealt McNutt a stunning blow on the head, felling him to the floor. Daily then escaped. The injured man was conveyed to the office, at the corner of Calhoun and Main streets, in an insensible condition, blood streaming from a gaping wound several inches long on the side of his head. He was seen there by Dr. Herschel Myers, who ordered him taken to the McNutt residence, corner Calhoun and Dewald streets, where the wounds were dressed. Dr. Greenawalt was also called on the case, and says while the concussion is severe, the young man will recover.

Daily was arrested and arraigned before 'Squire Ryan. He furnished $200 bonds with John Mohr, Jr., surety and was released. His trial will come up next week.

STABBED IN A ROW.

Yesterday afternoon a crowd of young men were returning north on Broadway, after having poured down a quantity of lager at some of the numerous drinking places. The party was what could be termed "gay," so it is natural that a row would ensue when a crowd similarly affected met them opposite the City park. Such was the case, and in the fight L. J. Dignan, a son of Mr. L. Dignan, in the employ of the water power company, was stabbed with a pocket knife. The wounds are located on the left shoulder and are deep. Dignan was half carried to Noll's drug store, where Dr. Derbyshire began to dress the wounds, when he was rudely interfered with by an officer who had called the patrol wagon for the purpose of taking the injured young man to the police station. The physician accompanied him there and dressed the wounds.

Young Dignan fainted this morning when he was taken home from the station and is now confined to the bed.
